PLEASE COMPLETE SIDE TWO IF REQUESTING A TETANUS Diphtheria AND/OR PERTUSSIS VACCINE

(Td, Tdap)

Request for Tetanus Diphtheria and/or Pertussis Vaccine (Td, Tdap)

I, _____request that the nursing staff of the Gallia County Health Department administer the ADULT TETANUS DIPHTHERIA (Td) or TETNUS DIPHTHERIA AND PERTUSSISIS (Tdap) to me. I am requesting the vaccine due to an injury, contact with an infant, or due to need for routine vaccine. The nursing staff has informed me and I understand that this vaccine will not prevent or treat any bacterial infection I may contract from an injury. Further, they have recommended that I seek medical attention for actual wound treatment.

** PERSONS WHO ARE SENSTIVIE TO THIMEROSAL SHOULD NOT TAKE THE TETANUS/DITHERIA VACCINE**

□ 1. I have received the Tetanus vaccination series in the past.

□ 2. The date of my last booster was _____.

□ 3. I am unsure of the exact date, but I believe it has been longer than 10 years since my las TD shot. I have read the TD and Tdap Vaccine Information Statement and am aware that if given too often, a hypersensitivity to the vaccine could develop. I understand this could result in a massive local reaction at the vaccination site (painful swelling from shoulder to elbow).

I understand that the nurses and the Gallia County Health Department are not liable for any side effects I may experience from the vaccine. These possible side effects have been explained to me, and I voluntarily request that this vaccine be administered to me.
